About College..

The trust is established in 2001 by the inspiration of founder member of institute Shri D.S. Gaikwad in the memory of his wife Kai. Sushilatai Gaikwad to improve education to needy people who are away from technical education with a sole intention.

Bharat-Ratna Indira Gandhi College of Engineering is established in 2006. We have got approval by the All India Council of Technical Education. Within eight years we have proved ourselves as one of the best colleges in engineering field. presently we have eight undergraduate engineering courses ,five post graduate and two professional courses MCA&MBA.

Many of our student are working in Multi-National companies. we believe in the creating pool of engineers who will not only learn the advanced technology .
